

The freedom boys

When a short sentence sparkles a revolution...

Forget about the kids, go have new kids. If you can't, send us your wives and we'll get them pregnant for you.

Please Sir, let my son free. He didn't do it.

He is an innocent.

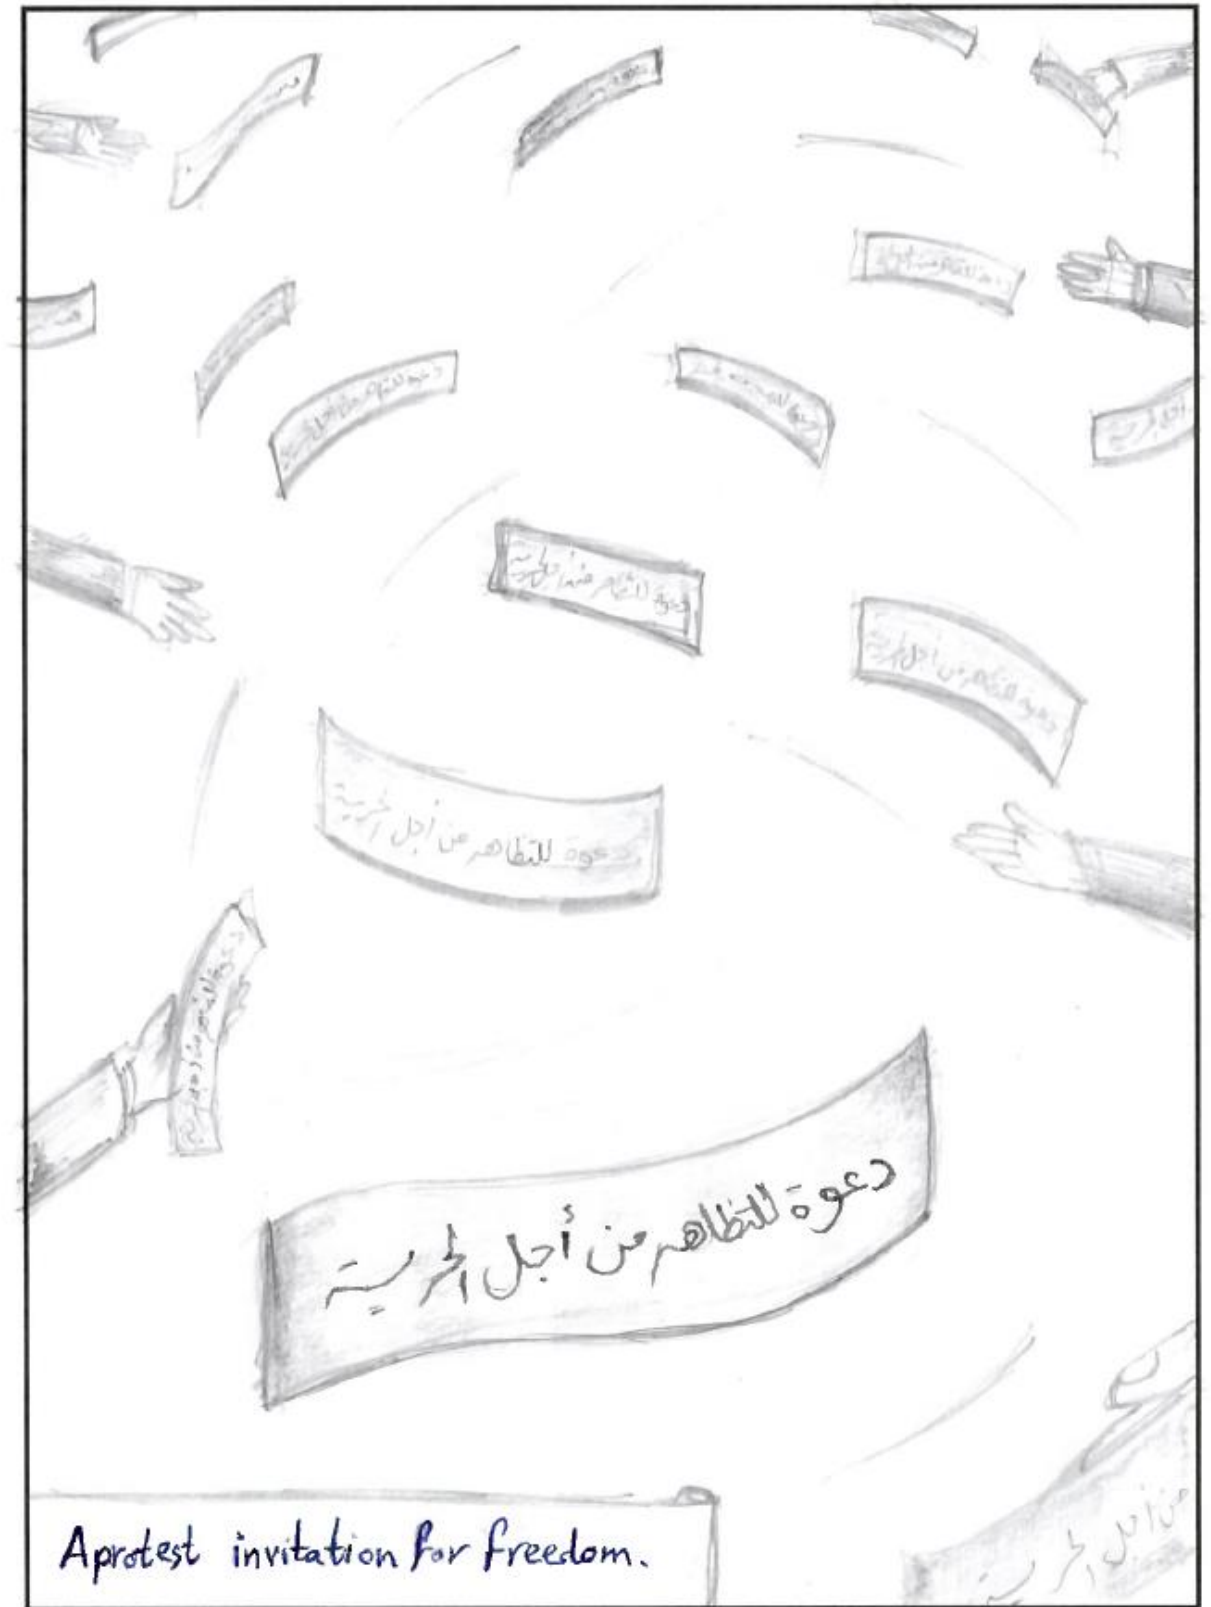

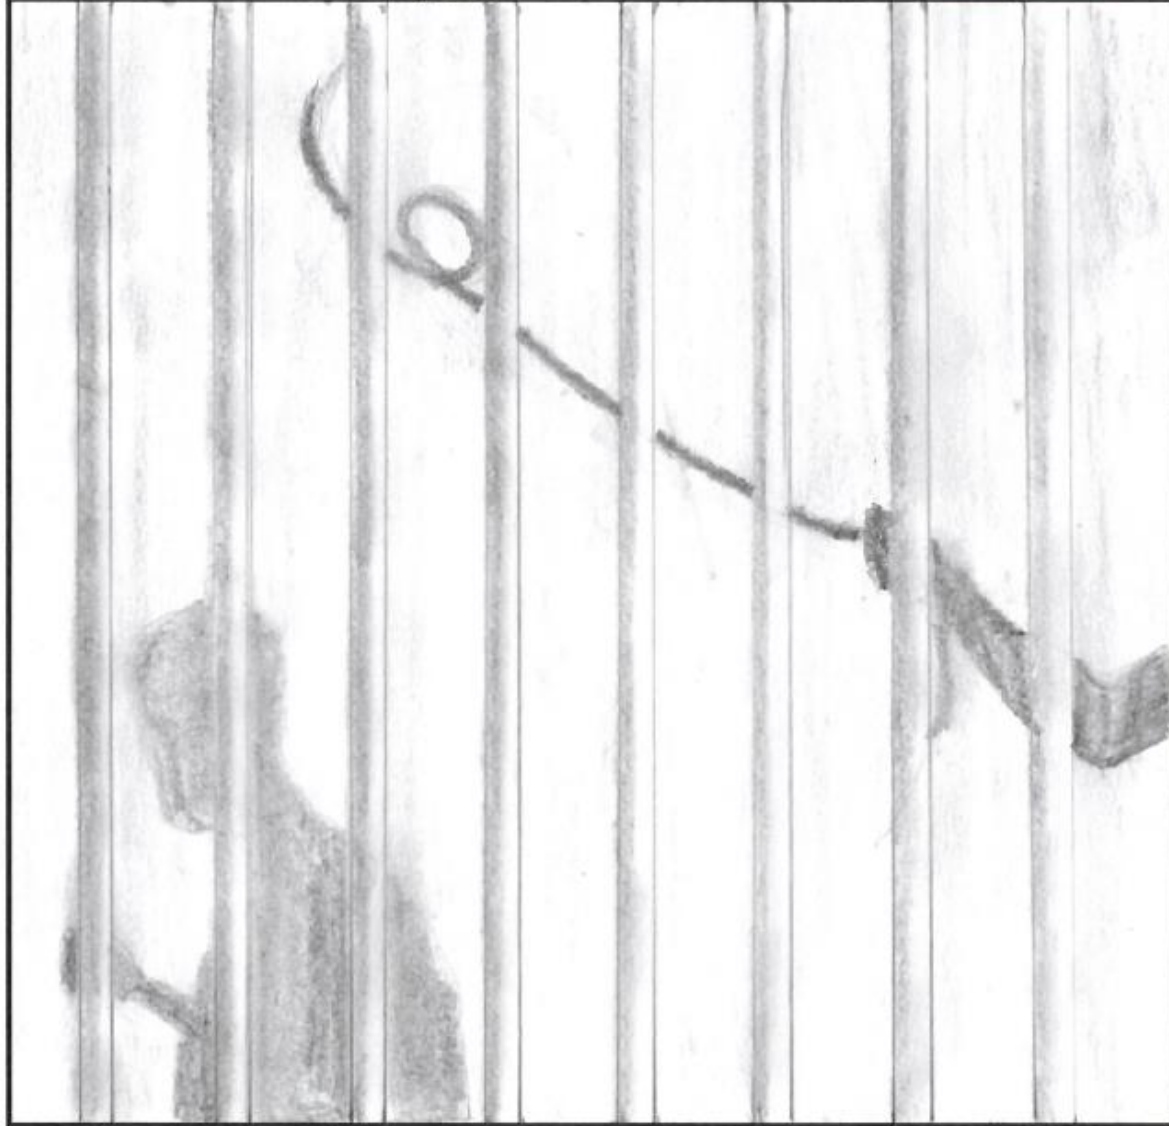

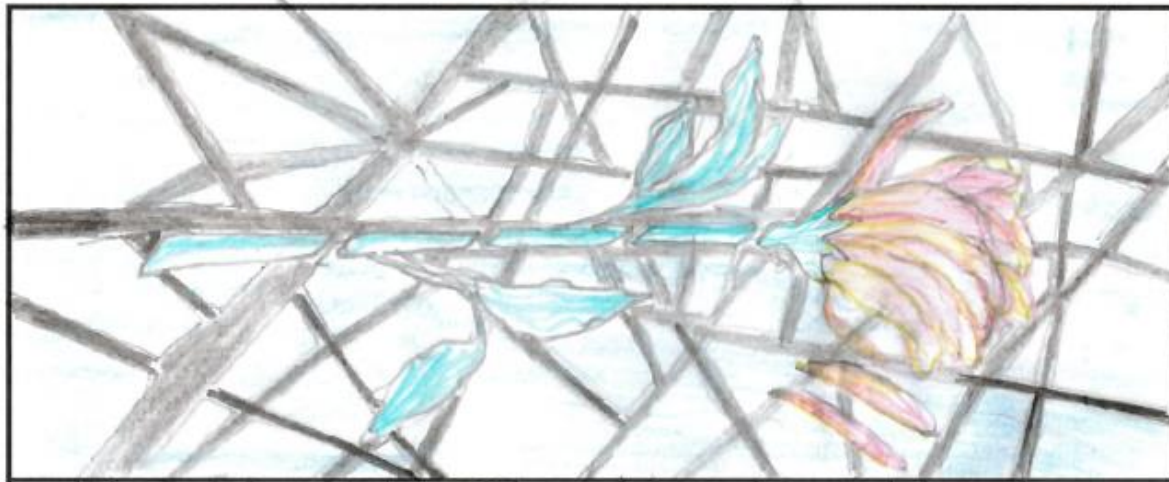

4

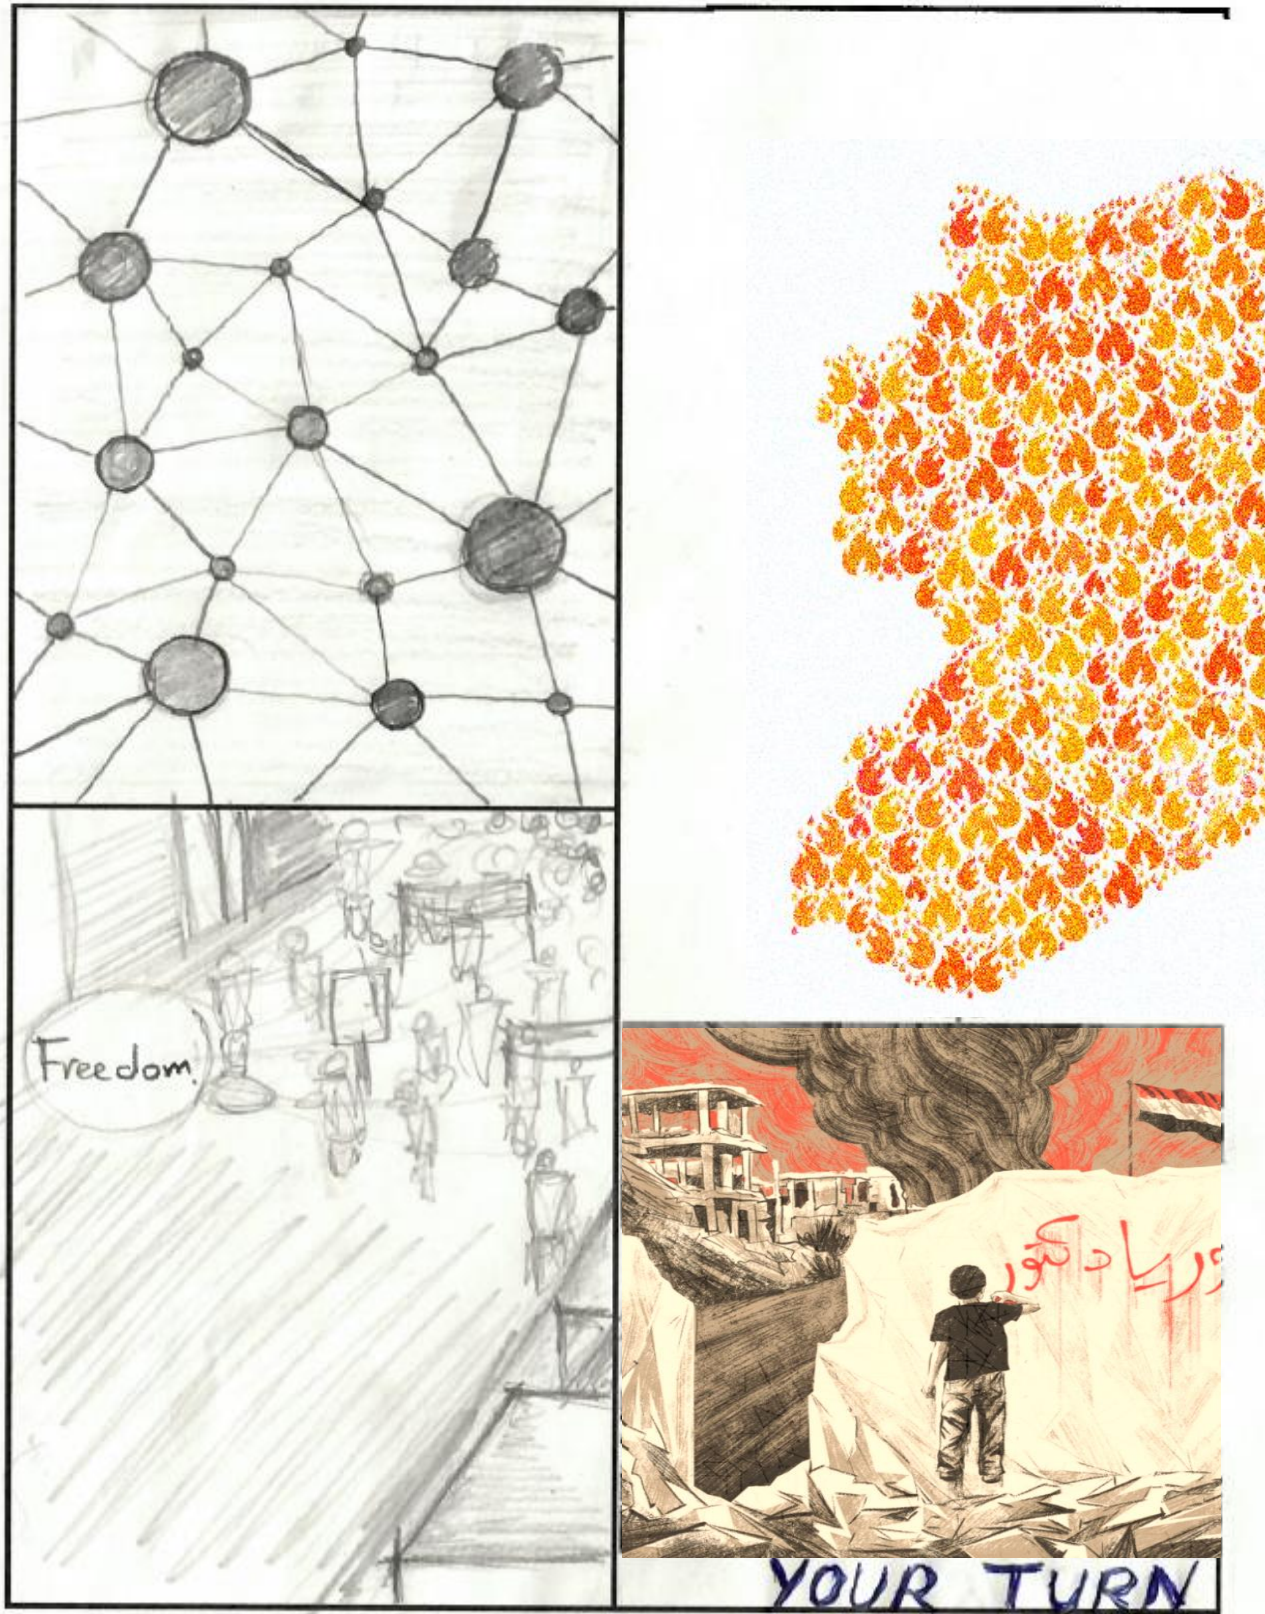

I couldn't get my son and his friends back.

We need to do something to get my brother and his friends out of the prison.

5

A protest invitation for freedom.
